THE MONKEY AND THE BUZZSAW.

One day through a mill, just a few hours to kill,
I was strolling about for awhile.
When a monkey I found where a buzzsaw went
round.
Which he eyed with a quizzical smile.
And the monkey whispered low as he watched the
saw go
Around with its unceasing drone,
"As for this thing, b'gee, there are no strings to
me!
I can touch it or leave it alone."
But he touched it at last, and when they swept
there
They found indications of what looked like hair.
Very often you'll meet in the mart or the street,
Or 'most anywhere you may stroll,
Some fellow who will say, in his confident way,
"I'll never be tied to the bowl.
But it's little I think of a man who won't drink."
He'll add in a satisfied tone,
"Every drinker, b'gee, ought to use it like me—
I can touch it or leave it alone."
But whenever I find one of these fellows drunk
It is then that I think of the saw and the monkey.

freshments. The proceeds will go towards buy-

Policeman Wallace this morning at 2 o'clock
arrested and jailed Garfield Boyd on a charge of
assault and battery. Yesterday morning be-
tween 12 and 4 o'clock Boyd and Annie Porter,
with whom he boarded, got into a quarrel, when
Boyd struck her, following it up with another
blow, breaking both of the woman's jaws. She
is in a serious condition. Boyd acknowledged
doing the work.

Several days ago Dr. J. R. Cooper of this city
relieved William Wise, the West End resident, of
tapeworm that measured seventy-five feet in
length. Mr. Wise had been doctored by sev-
eral Cincinnati specialists and spent considera-
ble money in an effort to find relief from his
illness, but it remained for a Maysville physi-
cian to bring him around all right. There is no
going to Cincinnati for anything; you can
always find what you want right here at home,
near that in mind, please.

BODY FOUND

corpse Taken From River at Cincin-
nati Is Maysville Man

The finding of the body of Mr. William L.
Schatzmann in the river at Cincinnati Sunday
evening has solved a mystery and relieved the
family and relatives of a great strain that has
continued for nine weeks.

The manner of his disappearance was told in
these columns at the time, and the forebodings
entertained of his having committed suicide by
drowning in the Ohio river have been verified.

The body was identified yesterday at the Cin-
cinnati Morgue by his sister, Mrs. James Hap-
good, of 1557 Holman street, Covington, who
identified him by his clothes and a pair of Red-
men's buttons.

There is something of a coincidence in the
case.

He disappeared Monday morning, March 13th;
was identified Monday morning, May 15th, the
latter date being the anniversary of his forty-
fifth birthday.

The river at the time he took the fatal plunge
was almost, if not exactly, the same gauge—43
feet.

The reward of \$25 offered by Wyandotte
Tribune No. 3, I. O. R. M., of this city will be paid
to the man who recovered the body.

Mr. John Brodt, brother-in-law of the deceased,
left yesterday to bring his remains to this city
and arrived here last night on C. and O. train
at 10:42.

The funeral will occur tomorrow morning
from the Third Street M. E. Church, with services
by Presiding Elder, Rev. F. W. Harrop.
Interment in Maysville Cemetery.

Grand Representative William H. Cox, P. G.
P. J. Barbour Russell, J. Linden Woods, J. B.
Orr, Jr., J. L. Daulton, James Childs, Dr. S. R.
Harover and Harry L. Walsh, Representatives
of Pisgah Encampment No. 9, I. O. O. F., left
this morning for Louisville to attend the Grand
Encampment, which convenes in the Falls City
tomorrow morning at 10 o'clock.

Walter Stokes, colored, aged 16, was arrested
last evening by Policeman Wallace on a petit
larceny charge. He confessed to having stolen
a set of fine chinaware belonging to Mrs. J.
Clarke Rogers and disposing of it for 60
cents at the second hand store of W. W. Lynch.
He was held in the sum of \$100 to the June
term of the Circuit Court, and let go on his own
recognizance.

NOTICE, REDMEN!

All members of Wyandotte Tribe No. 3, I. O.
R. M., are requested to meet at their Wigwam
tomorrow morning at 9 o'clock to attend the
funeral of our deceased Brother, William L.
Schatzmann. J. T. PARKER, Sachem.

A GOOD RECORD

One Man Has Worked Forty Years in
One Establishment

A record of forty years in the employ of a
single firm is something that very few men can
boast of; but Captain James Drennan of Aber-
deen has the distinction of having been con-
nected with the James H. Hall Plow Works of
this city forty years the 7th of the present
month.

Captain Drennan, though past three score
and ten, carries the burden of his years with an
elastic step and is able to do a full day's
work with the best of them.

He has had a varied experience as a soldier,
having served an enlistment in the English
army, and at the beginning of the Civil War he
was enlisted in the Seventieth O. V. I. and followed
the fortunes of the Regiment to the close of
the strife. At the battle of Shiloh he had his
sword scabbard shot away from his side, and
for gallantry on the field was promoted to a
Lieutenant.

He is unostentatious and quiet in manner, an
entertaining talker, a good neighbor and citi-
zen, and together with his excellent wife is en-
titled to all the blessings of a well-spent life.

May the Captain and his aged companion re-
main with us for many years to come.

By way of parenthesis THE LEDGER wishes
to say had he traveled the world over, nowhere
could he have found more kindly men than those
who have given him employment for the past
forty years—the Messrs. Hall.

A Good Suggestion.

Mr. C. B. Wainwright of Lemon City, Fla., has
written the manufacturers that much better re-
sults are obtained from the use of Chamberlain's
Colic, Cholera and Diarrhoea Remedy in cases of
pains in the stomach, colic and cholera morbus
by taking it in water as hot as can be drunk.
That when taken in this way the effect is double
in rapidity. "It seems to get at the right spot
instantly," he says. For sale by all Druggists.

While here Saturday the Millersburg Cadets
were entertained at the Manhattan Restaurant,
corner of Market and Front streets.

Mrs. William Lohstroh of Newport, well
known in this city, is one of the Kentucky can-
didates for The Commercial Tribune's European
trip. Her success is almost assured, having
20,211 votes to her opponent's 49. The Com-
mercial yesterday had a very good likeness of
Mrs. Lohstroh.

How to Ward Off Old Age.

The most successful way of warding off the ap-
proach of old age is to maintain a vigorous diges-
tion. This can be done by eating only food suited
to your age and occupation, and when any disor-
der of the stomach appears take a dose of Cham-
berlain's Stomach and Liver Tablets to correct it.
If you have a weak stomach, or are troubled with
indigestion, you will find these Tablets to be just
what you need. For sale by all Druggists.

Beware of Ointments For Catarrh That Contain Mercury.

Mercury will surely destroy the sense of smell
and completely derange the whole system when
entering it through the mucous surfaces. Such
articles should never be used except on prescrip-
tions from reputable physicians, as the damage
they will do is tenfold to the good you can pos-
sibly derive from them. Hall's Catarrh Cure, man-
ufactured by F. J. Cheney & Co., Toledo, O., con-
tains no mercury, and is taken internally, acting
directly upon the blood and mucous surfaces of
the system. In buying Hall's Catarrh Cure be
sure you get the genuine. It is taken internally,
and made in Toledo, O., by F. J. Cheney & Co.

PRESIDENT ROOSEVELT is the first Chief Executive since WASHINGTON to urge the improvement of the Ohio river.

BEING now convinced itself, if the Rivers and Harbors Committee can only convince the balance of Congress what an important waterway the Ohio is, there would be no trouble about an Appropriation and the Nine Foot Stage.

JUDGE PRYOR of Louisville has decided that the Grand Jury had no authority under the law to examine the ballots cast in the recent Democratic primary. Of course not; did you ever know a Kentucky Legislature to pass an election law that would interfere with Democratic rascality?

AFTER a "strike" of nearly a year, many Union iron molders have returned to work in Cincinnati at the same wages they were paid when they struck. They quit work at the command of the Union, but they went back at command of an empty stomach, an empty wardrobe and an empty pocketbook.

In his speech at Wheeling, W. Va., Congressman J. ADAM BEDE, the Minnesota member of the Rivers and Harbors Committee and the wit of the party, said—

"It is the case of the people against the Ohio river. We are the jury and are not allowed to express an opinion just now. But the United States may find the Ohio guilty of restraint of trade and sentence it to be damned from Pittsburgh to Cairo."

DR. L. C. H. E. ZEIGLER, a Chicago sawbones, has brought suit against the estate of the late Mrs. HARRIET McVICKER for \$126,000 for medical services. If the Doctor only had another initial in his name, the claim might have been larger.

AT Louisville Judge MILLER held in a suit to compel the payment of alimony that it was not a good excuse for defendant to set up that he had married again and was compelled to support another wife. Now, I wonder if you can't find some lawyer who will prove by the "statoots" that a fellow is a Mormon who supports two wives?

TOWARD the close of the dinner given the members of the Rivers and Harbors Committee by the citizens of Cincinnati at the Zoological Garden Representative J. E. RANDELL of Louisiana offered a suggestion that promises to bear fruit as the most important result of the tour which the Committee is making from Pittsburgh to Cairo to inquire into the needs of the Ohio and the possibilities of developing the river into a great artery of commerce.

It was that the Ohio Valley Improvement Association and the citizens of Cincinnati take the initiative in arranging for a great National Waterways Convention to be held in Washington or New York, shortly after the convening of Congress in special or regular session this fall, the purpose of the Convention being to call on Congress and President ROOSEVELT for larger appropriations for the improvement of rivers and harbors throughout the country.

SCHOOL CONFERENCE.

Meeting to Better the Standard of Public Schools in Kentucky

State Superintendent Puqua has written the leading educators of the state, inviting them to participate in a conference he has arranged to be held at Frankfort on Wednesday, May 24.

The purpose of the meeting is to discuss school work in the Common Schools of the state and to form an organization or educational association for the betterment of the work.

Some of the matters to be discussed are the securing of a nine-months school term, the better training of teachers, industrial training in schools, an increased number of grades and High Schools, the addition of libraries to schools and the organization of citizens' educational associations in every county and town of the state.

There are more blind people in Russia than in any other European country. The average is two per 1,000 inhabitants.

The word "tip" originated in the old English coffee houses. At the door of these coffee houses was a box made usually of brass, with a lock and key. It had engraved upon it the letters "T. I. P." (observe the steps between the letters)—"To Insure Promptness." Customers, as they passed out, dropped a coin in for the waiters. Hence the word "tip."

GONE FOR GOOD.

No Reason For Any Maysville Sufferer To Fear the Return of It.

How often the pain returns to the aching back when you think you are well rid of it. No fear of such a return after using Doan's Kidney Pills. They make bad backs well and weak backs strong and keep them so. The testimony of Maysville people proves this claim a fact. You can readily ratify such fact by the following:

John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:

"I first procured Doan's Kidney Pills in 1899 at J. Jas. Wood & Son's Drugstore, and they stopped an attack of backache, one of many which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciates the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

For sale by all dealers. Price 50 cents a box Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Chicago's Haymarket Riot

In response to an inquiry, The Courier-Journal gives an epitome of notorious Haymarket riot which was the outgrowth of a strike of 40,000 Chicago workmen on May 1st, 1886. On May 3d the strikers attacked the workmen of the McCormick plant, who had not joined them in the strike. Policemen were called, and in the clash that followed half a dozen men were wounded. That night handbills, printed in English and German, were spread broadcast over Chicago, reading thus:

"Attention, Workmen! Great mass-meeting at 7:30 o'clock at Haymarket, Randolph street, between Desplaines and Halstead. Good speakers will be present to denounce the latest atrocious act of the police, the shooting of our fellow-workmen yesterday afternoon.

"EXECUTIVE COMMITTEE."

Tuesday evening, May 4th, came. By 8:30 o'clock a crowd of a thousand persons had assembled at the Haymarket Square. August Spies, Editor of The Arbeiter Zeitung, was the first speaker. Beginning with a rambling discussion of the labor question in general, he at last came to the subject of the Chicago troubles. Then he became inflammatory and vehement. "What means this display of gathering guns, cannon, bayonets, patrol wagons, clubs?" said Spies. "What means this calling out of the First Regiment? Is it an entertainment for you? McCormick denies that he is responsible for the bloodshed yesterday. I say he lies. He is responsible for the death of our brothers."

"Put him in the lake!" "A rope is better!" "String him up!" These cries came from the crowd; to which Spies responded with: "Do not make useless threats, my friends, but when you are ready act."

Then other speakers arose and harangued the gathering in much the same fiery strain. After this sort of speech and excitement had continued for a while two police captains at the station nearby, fearing a riot might result, led 170 patrolmen to the place. Raising his club to attract attention, Captain Ward said: "In the

name of the state of Illinois, I command this crowd to disperse."

Instantly there was a flight of sparks from an alley behind the speaker's wagon. A bomb fell with a roar in the midst of the police columns. There was an explosion. One policeman was killed instantly and others suffered wounds from which they died. Then a terrific scene occurred. Revolvers were drawn and a bloody battle was fought between the crowd and the policemen. Newspaper accounts differ, but it is pretty generally accepted that seven policemen were killed and sixty wounded, and a number of those participating in the meeting were killed and wounded.

A search for the bomb thrower was made, but he was never discovered. Eight agitators were indicted. Seven of them—Spies, Schwab, Fielden, Parsons, Fischer, Engel and Lingg—were found guilty of murder under Judge Gary's charge to the Jury directing the return of such a verdict if the defendants were parties to a conspiracy, "even though the date of the culmination of that conspiracy had not been fixed." Neebe, the eighth prisoner, was sentenced to fifteen years imprisonment. Lingg committed suicide. The sentences of Schwab and Fielden were commuted to life imprisonment, and Spies, Parsons, Fischer and Engel were hanged. On June 26th, 1893, Governor Altgeld pardoned the three men in prison on the theory that the bomb was thrown as an act of personal revenge against a police captain and that it had not been shown that the bomb thrower was instigated by the convicted men.

Menzel, the late German painter, left about 500 drawings in black and colors. They are valued at \$250,000.

Near Parsos, Tenn., there lives a most remarkable young man, a veritable giant for his age. His name is Arnold, and he is not yet 18 years of age. He stands seven feet even in his stocking feet and wears a No. 13 shoe.

Next Sabbath morning at 10:30 o'clock the Children's Day services will be held at the First M. E. Church, South, and Dr. Evans desires to administer the rite of baptism to infants. Let all such children be ready at the beginning of the service.

The Wash Honsell is on the Mound City Ways.

The Tacoma will be the Pomeroy packet tonight.

The Virginia will be up tonight for Pittsburgh.

The Henry M. Stanley passed up last night for Pomeroy with a good trip.

Several of the largest towboats will be sent South from Louisville with big tows.

After reaching a stage of 44.5 feet the river began falling yesterday, and this morning the gage marks 43.5.

The packets and towboats have had some lively fights with storms on the river recently. No serious damage has been done to them, however.

Boats having in tow 2,500,000 bushels of coal left Pittsburgh Sunday. Additional shipments will be started on the present stage, bringing the total up to about 7,000,000 bushels, or one of the largest of the season.

Easy Task lessens the labors of the laundress by doing away with hard rubbing. The naphtha and borax in it do the cleaning. Rosin soap—the sticky, bad-smelling, yellow kind—doubles the work—increases the cost—ruins the clothes. Insist on having EASY TASK—5c at your grocer's.

Jane Lowrey, colored, aged about 52, died at her home on Hord's Hill last night at 8 o'clock. Funeral this afternoon at 2 o'clock from the house, with services by Rev. Price of the Baptist Church. Interment in Maysville Cemetery.

Miss Lula Bruce McNamara, a niece of Mrs. Fred Schnelle of West Second street, whom she often visited, will be one of the graduates this year from Millersburg Female College, the Commencement Exercises of which will take place May 26th to 30th.

WHAT MAYSVILLE NEEDS

Bitulithic Pavement Stands the Test of Freeze and Thaw

Manistee (Mich.) Advocate.

Manistee evidently made a wise selection for a permanent pavement when the city fathers chose bitulithic pavement. Two winters have passed since the pavement was laid on some of the streets, and today the streets have the same appearance of newness and stability which they wore a week or two after the completion of the work on them. Many citizens have passed over the two and one-half miles of streets this spring expecting or anticipating the finding of flaws made apparent by the spring thaw. But surprise has been manifest with all, and the fact that not a spot is visible which is not as perfect as when laid has resulted in unanimous approval of the pavement.

The wonderful elasticity of the pavement and its power to withstand the effects of heat and cold have been brought more particularly to view by the action of a spring on Maple street, almost in front of Union Hall. During the winter it was noticed that the pavement had raised somewhat above the level of the surrounding street, a spot several feet square appearing to have risen eight or ten inches.

Yet not a crack or seam was noticeable; as soon as the frost was out of the ground the pavement sank back into place. A natural spring had bubbled up beneath the pavement and as the water froze it expanded. The pavement is again as perfect as when first laid.

Several local people have contemplated building walks and driveways of the bitulithic pavement, and it is possible the plant will be opened up late in the summer to take care of this work.

Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says George L. Chubb, a merchant of Harian, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by all Druggists.

BABY GIRL'S AWFUL HUMOR

Would Scab Over, Break Open, and Be Raw—Intense Suffering for Two Years—Doctors and Medicines Failed to Help Her.

CURED BY CUTICURA AT COST OF 75 CENTS

Writing under date of Aug. 15, 1904. Mrs. L. C. Walker, of 5 Tremont St., Woodford, Me., says: "My sister had a terrible humor on her shoulder when she was eighteen months old, causing intense suffering for two years. We had several doctors, and tried everything, but in spite of all we did it kept spreading. One day it would scab over and then crack open and a watery matter ooze from it and the scabs would all fall off. It would be raw for a time, then scab over again. Some one recommended Cuticura, and we immediately procured a box of Cuticura Ointment, and a cake of Cuticura Soap. She was much better after the first bath with warm water and soap, and an application of the Ointment. Before it was half gone we saw a marked change for the better, and she was entirely cured, without a scar being left, by the one box of Ointment and one cake of Soap. Her skin is now entirely clear, and she has not had a sign of trouble since."

That Cuticura Soap is the best baby soap in the world for cleansing and purifying the skin, and that Cuticura Ointment is of priceless value for soothing and healing itching, torturing, and disfiguring eruptions, itchings, and chafings. A single application of Cuticura Ointment, preceded by a warm bath with Cuticura Soap, gives instant relief, and refreshing sleep for skin-tortured babies, and rest for tired, fretted mothers.
